

**MCAD FACT SHEET FOR SAN FRANCISCO ART INSTITUTE (SFAI) STUDENTS SEEKING TO
ATTEND MINNEAPOLIS COLLEGE OF ART AND DESIGN (MCAD) AS A
MASTER OF ARTS TRANSFER STUDENT**

Located in Minneapolis, Minnesota since 1886, the Minneapolis College of Art and Design (MCAD) has been recognized nationally and internationally for its innovative approaches to art and design education. MCAD offers two four-year undergraduate degrees: a bachelor of fine arts (BFA) and a bachelor of science (BS), as well as graduate degrees in visual arts, design, and sustainability. To learn more, visit mcad.edu/why-mcad.

The MCAD community is saddened by the closing of the San Francisco Art Institute (SFAI), its effect on SFAI students, and the loss for the national art and design community. Our goal at MCAD is to assist SFAI students with enrolling at MCAD while maintaining a high level of academic quality and student services. We realize that the closing of SFAI is a stressful situation, and have streamlined the process for SFAI students to enroll at MCAD. We need you to carefully follow the process we have outlined and complete the steps by posted dates. For detailed information, please contact admissions@mcad.edu or (800) 874-6223, x.1.
