Program Planning Guide for <u>Anoka-Ramsey Community College - AFA</u> students transferring to the Minneapolis College of Art and Design – Bachelor of Fine Arts (BFA)

Please use the guides below when planning your program to transfer to MCAD with an AFA from Anoka-Ramsey Community College. We have indicated the specific courses that meet our foundation curriculum requirements on page 1. Although MCAD does not participate in the AFA, many of the courses in the AFA may fulfill our requirements (see page 3). Our objective is to aid students toward their goal of earning a bachelor degree from MCAD and to provide a smooth transition that minimizes loss of credit and duplication of coursework.

ARCC AFA Art Electives: Highlighted courses below follow the recommended course sequencing for the AFA.

MCAD Studio Credit Requirements- The ARCC studio art electives (ceramic, jewelry, or glass courses not transferrable) may transfer as studio electives to MCAD (p.1). **A studio transfer portfolio and syllabus is required for transfer review to receive transfer credit.** MCAD has maximum allowable studio transfer credits; please contact your Admission Counselor for guidance.
